## DEDICATION

put to a practical use in the erection of an ultramodern school. In the old civilization of Europe,
it was common practice for the craft guilds to
elect a patron saint to watch over their work and
protect it from mishap. The construction of Heelan
Catholic High School models a parallel in that
the project was placed under the protection of
Our Lady of Fatima. Under Our Lady's patronage
no serious accidents occurred, despite the great
task involved. In fulfillment of a promise made to
her by our principal, Monsignor Kevane, we
dedicate this first volume of the yearbook to Our
Lady of Fatima.

# Contento

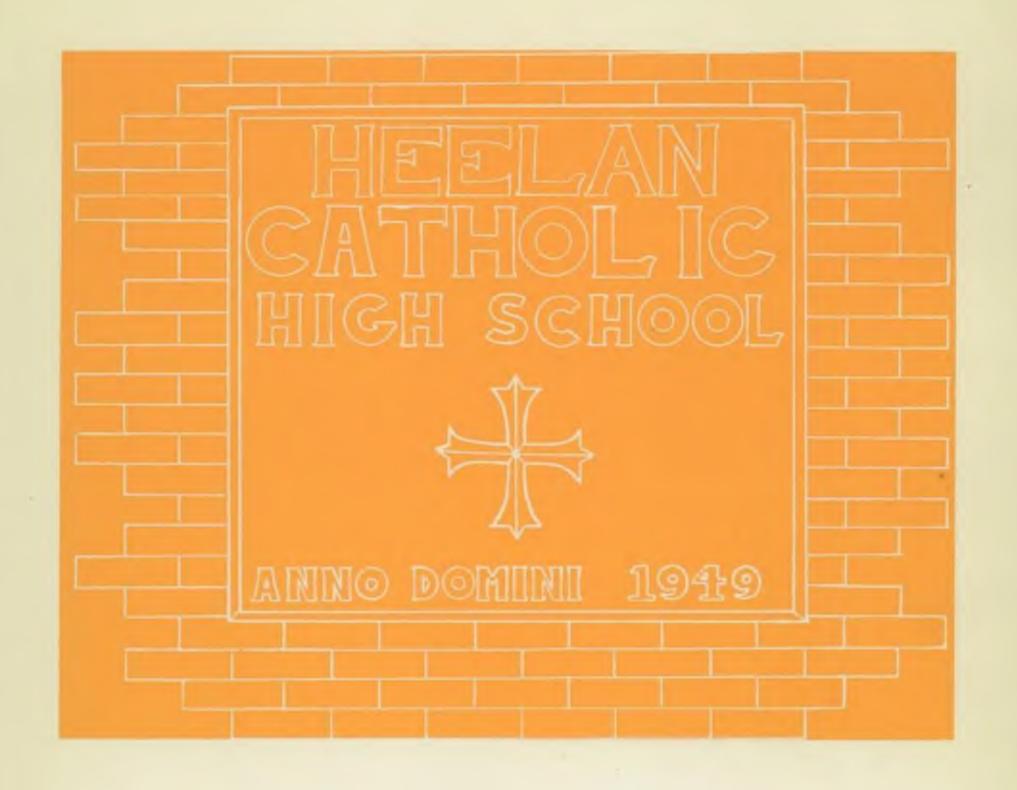

THIS FIRST ISSUE of the Shield is dedicated to Our Lady of Fatima, as an expression of our gratitude for her aid in the construction of our SCHOOL. Working with Our Lady, the ADMINISTRATION molds the whole YOUTH, not only as future leaders, but also as citizens of heaven. In addition to the formal curriculum, can be found the various ACTIVITIES, which together with the SPORTS compose the entire YEAR.

# THE SCHOOL

# "Give Today for Their Tomorrow"

NOVEMBER 24, 1946, a cold and wintry day, one thousand men met at the Cathedral and received Christ's blessing at Benediction, celebrated by Bishop Thomas L. Noa. Immediately after, the men went out into the homes of the Catholics of Sioux City to obtain signatures as pledges that the "dream school" would come true.

THAT WAS TODAY!! The TOMORROW is now being realized. We of Heelan High wish to express our gratitude to these generous men and also to the equally generous persons who in any way made possible the advantages which we now enjoy.

## Breaking of the Ground

THE BREAKING OF THE GROUND for the new Heelan High Schol on October 12 1948, on the corner of 11th and Douglas Streets by the Most

Left to right: Father Francis Staber, Father Richard Sweeney, Bishop Joseph Mueller, Father Frank Greteman behind the Bishop, Monsignor Kevane, Mayor Dan J. Canley, Father C. Hayes, Father Francis Friedel behind Father Hayes, and Father Regis

Rev. Joseph M. Mueller, Bishop of Sioux City, marked the beginning of a new era in Catholic education in the Sioux City diocese

AT THIS TIME it was difficult for the Catholics of Sioux City to see and realize the value and importance of this project. They knew, however, that this new source of education was sorely needed. During this, the first year of its operation, it has proved itself capable of maintaining the highest standards in both scholastics and athletics.

#### Friday Morning Chapel Hour

Highlighting all the hours of the week, every week of the schoolyear, is the 'Cathedral Hour' from 8.45 to 9.45 each Friday marning for the hundreds of students of Heelan High. This hour, a kind of laboratory period for the religion classes, may be said to replace the regular book work in such way so as to integrate the secular phase of our education with that of the spiritual. The clergy of the faculty alternate offering the Holy Sacrifice of the Mass and in hearing confessions. Each week a pastor of one of the city parishes addresses the student congregation upon one of a series of selective sermions.

## Staff for the 1950 Shield

Art Editor Flood

Many were the harassing hours happily spent by the 1950 staff in producing this First Heelan High Annual . . . THE SHIELD. The students on the staff were recommended by their various teachers, and directed by Father Behrens, publication advisor.

Faithful to the last deadline... to the last page of paste-ups were Editor Stroup, Artist Flood, Copy Editor Feldhacker, Photographers McKelvey and Jackson, Business Manager Belknap, Division Editors Ecker, McGowan, Cimpl, Uhing and other assistants, Deey, Keller, Cody, Gentleman, Brault, Moran, Sullivan and Heenan.

Never shall they forget those Saturday morning staff meetings winding up no earlier than 5.00 P. M.; not the confusion resulting over copy, sketches, subscriptions, covers, and the countless details which produced this memorable bit of history in Catholic education in Sioux City.

#### Music Hath Its Charm

Hindered by a late start, the Boys' and Girls' Glee Clubs, together with the mixed chorus progressed very rapidly under the able direction of Sister Mary Emile Rose, B. V. M., and Professor Szemler.

The Girls' Glee Club, numbering 150 members, have the following as officers: Mary Ann Skarnulis, president: Vonda Lee Solomon, vice president: Pauline Grogan, treasurer, and Helen Claire Hall, secretary. Section leaders are Jean Skuza, Theresa Haas, Margo

Mitchell, Librarians are Doris Poches, Julie Kramper, Jane Entringer, Mary Clare Benton, Carol Ecker, and Barbara Haried.

The Boys' Glee Club, with its 60 members, chose Williard Bertrand as president; Vincent Rago, vice president; Tom Tooey, secretary; and Tom Stoup the treasurer.

A delightful program was presented by the three groups in Heelan High Auditorium, Friday evening, May 19.

#### "The Shutter Bugs"

One of the outstanding clubs at Heelan High is the Shutterbugs. Most of the pictures used in our 1950 annual were supplied by its members. The main purpose of this organization is to learn photography and its various remifications. Under the direction of Father Behrens, an expert in this field, and assisted by President McKelvey. Vice President Linden; Treasurer Hartz, and Secretary Cody, the Thursday night meetings have been most interesting and informative. The Shutterbugs have a beautifully equipped darkroom which is open to club members after some, and on meeting nights.

Another first in the long list of new organizations this year—the Dramatics Club, "Here Comes Charlie", a farce-comedy, was their sole project for this year, but in this they demonstrated excellent ability, which ought to add to their performances in the future. This production was under the direction of Father E. Thom.

According to the adopted constitution, the board of directors is made up in this wise: each one of the city parishes has delegates: two from the five larger, and one from smaller parishes. At the beginning of each new school year, one delegate from each parish automatically is dropped from the board and another is appointed to replace him by the parish pastor. In the case of smaller parishes, a new representative is named each year The board of directors for the year 1949-50 consisted of the following gentlemen: Wm. Stevers, Claude Ziegler, Fred Sandman. ## Our Pride and Joy

The Library Club was formed in the early fall for the purpose of helping Sister Mary Peter Claver, O. P., organize our Heelan High library. Under the leadership of their officers, Julie Kramper, Frances Mahr, Patricia Kramper, and Jean Goldsborough, thirty-three juniors and freshmen have drawn up four committees — Publicity, Display, Service, and Room, Rotating tobs every two months presents the students with the apportunity of learning the various lechniques of library science. They are gaining experience in processing books — shellacking, pasting in packets, accessioning and lettering. Off to a good start, the Crusaders topped Sloux City East by a score of 36 to 27. Ten successive victories in 40-38 win over S. C. Central, made them the house in a row. Breaking back into the winning columning Sioux City East the second time 41-33, gave them the coveted city championship. Season's record shows 12 wins against 5 losses

#### It Has Been A Great Year

Though we could have it ed a book twice this size and then some we the staff of the first annual to be put ished by Heelan Catholic High Sincol consider this humble work sufficient to tell the story of a great year.

Uppermost in our mind as we set about the task of publishing an annual was the fact that through the generosity of the Catholics of Sioux City a million dollar ultra modern school was erected for the youth in and around Sioux City Brick mortal and steel was made possible through united effort by the Catholics of the city, and so, we have tried to keep to the theme as you will note, in our division pages.

As at, things new must be tried so too have the faculty tried the students and the students the faculty in our first year of existence. There were many trying difficult days. There were decisions to be made where here were no precedents to follow. There were deeds of commission and omission. However due to not a effort on the part of students and faculty. On a Wang and a Prayer, we have passed the difficult crisis with colors flying.

We the statt are grateful to have had the opportunity of presenting life at Cutholic High (now Heel in High) during this first year of its emistence. Should this publication be late in reaching your hands pieces excise. We find to revise the paste-ups on the first 48 pages due to the change in name from Catholic to Heelan High.

We wish to express our sincere appreciation to all those who have helped in the publication of The Short of 19.9 Cur thanks to Mr and Mrs. Hollister, to Lithacrati Incorporated the Boistein Company, the Booky Plate Company and the S. K. Smith Company Special mention should be given Larry Fixed who spent hours at the drawing board, to Jim McKelvey our chief Shutterbug to Tiny Stroup and Father Behrens who directed this work.

May that which is good and noble at Heelan High be kept in fact and be carried on through the years—that which is not perfect, may it be improved and perfected.
